SOLUTIONS

OFFICE AND CONTACT CENTER HEADSET SOLUTIONS

Call One, Inc. is partnered with the leading headset manufacturers to provide the best possible solutions for your contact center. Additionally, many of the brands offer special incentives and programs designed for our contact center clients.

We can also provide needed accessories like training-y cables, spare ear cushions, mic screens, and other replacement parts to help keep your contact center agents up and running.

DESKTOP & MEETING SPACE AUDIO & VIDEO CONFERENCING SOLUTIONS

Webcams offer greater resolution and various field of view options to manage one to more people. Plus if you're doing mass deployments, Logitech webcams come packaged in plain brown boxes to hold more webcams per case. And yes, these webcams include privacy shutters.

Call One, Inc. is here to help you do business better and in today's world, that means helping your teams collaborate from anywhere. HD Video, sound, and content sharing from multiple teams in multiple sites is the new norm. Our non-biased product experts put together some solutions to take the pain out of your procurement and get your teams working together.

HOSPITALITY PHONES & FURNITURE, FIXTURES, AND EQUIPMENT (FFE)

Call One, Inc. Hospitality Solutions Specialists can help you source Furniture, Fixtures, and Equipment (FF&E) needs including Guest Room Phones, In-Room Entertainment, Guest Comfort & Convenience, Banquet & Conference Rooms, Guest Experience and Revenue Drivers, Indoor & Outdoor Furniture, and Recreational across a broad range of best in class brands!

SAMSUNG SOLUTIONS

Samsung offers powerful products that work for your business.

Scalable technology that seamlessly integrates with your infrastructure, keeps data secure, and provides innovative features that meet your business needs.

Samsung makes it easy to deploy a comprehensive Electronic Logging Device (ELD) solution to drive productivity and efficiency, improve driver retention and comply with the ELD mandate.
